Hi Lisa -

We are having some issues logging onto the sharepoint site. I have a request in to get the problem looked at, but it is taking longer than I anticipated. Would it be possible to send me the amended documents as zip files or ftp files (email works too)?

Sincerely,

Mike Sedlacek

Hello all.

Please find attached the proposed agenda for our Batch 3b Resolution Meeting on Thursday morning. You will note it is essentially the same as the agenda for last week's Presentation Meeting, except that we are proposing to discuss the water-related items first and then the wetland items. Also note there are a few preparatory deliverables listed on the agenda that have been amended based on our prior discussions. The amended items have been posted on the SharePoint site: <https://connect.mn.gov/sites/DNR/division/ewr/communities/NorthMet/SitePages/Home.aspx>

If you have questions ahead of our meeting, please call Randall Doneen (651-259-5156) or me (651-259-5110).

Thank you,  
Lisa
